

Tao of Bouve

Bouve

Start each day with a happy attitude

Greet each person you meet with enthusiasm

Delight in the simple joy of a long walk

Don't be afraid to stick your head out of the window

Don't hold grudges for very long

Support those in need of a friend

Loyalty is a virtue

Play is good

Don't be afraid to show your passion and enthusiasm

**When you see loved ones, act as if you haven't seen them for
years**

Be your authentic self

Display love unconditionally
